Good Practice Guidelines

When parents and/or carers are in attendance they are responsible for their child/ren's safety and behaviour.

Parents, carers, volunteers and staff should always:

- Respect everyone as an individual
- Provide a good example of acceptable behaviour
- Respect everyone's right to personal privacy
- Be available as a listening ear and, if necessary, refer for more appropriate help
- Be sensitive to other people's likes and dislikes
- Try to ensure that actions cannot be misunderstood or cause offence and are acceptable within a relationship of trust
- Show understanding when dealing with sensitive issues
- Uphold Scarf's Child Safeguarding Policies and Procedures (all policies are on our website)

Parents, carers, volunteers and staff should never:

- Engage in rough, physical or sexually provocative games
- Allow or engage in inappropriate touching of any form
- Allow children to use inappropriate language unchallenged, or use such language when with children
- Make sexually suggestive comments to a child, even in fun
- Fail to respond to an allegation made by a child; they should always act
- Do things of a personal nature that children can do for themselves.
